About Us:

Our twins arrived on January 4, 2010,
nearly 10-weeks early. Stella required
some respiratory help but mostly needed
time in the NICU to learn how to eat
and grow strong enough to return home.
Trey, on the other hand, had a very
rough road. Over time his health grew
worse, not better, and he passed away on
June 12, 2010, having never made it
home. Read our story at

Beth's parents, Diana and Larry, visited
the Ronald McDonald House often and
immediately recognized the impact this
charity was having on our family during
such a difficult time. Diana happens to
be an Independent Avon Sales Associate
and has generously offered to donate all
of her earnings from the sales through
this fundraiser to the Ronald McDonald
House in Burlington, VT. Thanks Mom!

and in honor
of one of our
favorite charities,
please join us!**

**Best wishes,
The Todd Family**

Why help?

The Ronald McDonald House Charities of Burlington, Vermont is a "home away from home" for families with seriously ill children seeking treatment at Vermont Children's Hospital at Fletcher Allen Health Care.

Stella, happy and healthy in the Ronald McDonald House playroom one year after leaving.

This was our home for six months. While living there we were always provided with fresh meals, friendly volunteers, and comfortable living arrangements. All without pressure to make a financial contribution and with an open invitation to stay as long as we needed.

When we moved back to NY without our little boy staff offered heartfelt gestures. The Ronald McDonald House is a special place. Through their unwavering commitment to support families, caregivers can devote their full selves to what really matters – their sick child.

How this works:

Purchase AVON products through Beth or Diana anytime during June 2012. There are two ways to order:

1. Place an order through Diana's Independent Sales Representative website:

<http://dgoolden.avonrepresentative.com/>

For online orders please be sure to enter promotion code **CASH4RMHC** for your purchase to be included in this fundraising initiative.

2. If you live in St. Lawrence or Franklin County, NY you may request a hard copy catalog for Campaign 13 or 14.

Residents of St. Lawrence or Franklin County, NY feel free to request delivery either way you order and we will bring your order to you!

Then, all the proceeds* will be sent directly to the Ronald McDonald House Charities of Burlington, VT.

*Excluding Cancer or Domestic Violence related items (including the Crusade and Empowerment lines). Please note that charitable gift receipts will not be issued through this fundraiser.

Keeping it local:

Do you prefer to keep your financial contributions local? If you live in New York State and reside in Franklin or St. Lawrence County the Ronald McDonald House Charities of Burlington **IS** local! Advanced pediatric care, especially for neonates, is not available in northern New York. In fact, a large percentage of house guests are NYS residents.

Many preemies need extra care but they are often born in hospitals where they cannot be treated.
